This was the year that . . .
An entire community vibrated with involvement;
Pride became a natural element in our lives.
We suffered the bitter sweat of work,
And grew in the sweetness of success.
We realized that winners were made,
Not merely through strength and ambition,
But also through the fusing of minds,
And the binding of hearts.
The end result of each discovery
Is brought together into a central accumulation of . . .
GOLDEN BITS AND PIECES

"A lot of hassle for a little tassle!"

step'n up...

Mel
well I have
it was a wonder-
ful painful and
mostly heart breaking
year. Wonderful because
it was your first year at
H.S. Painful because of Mass.
weights exercising and diets etc...
and heart breaking because its
over. We've shared the crazy
and during the year we've had
to offer. Sure there were some
times and happy occasions. You're the
best friend and sister a person could
have. I love you a lot and wouldn't take
anything in the world for what we've
got. We go back a long ways from 'Y' basket
ball to swim! Summer recreation softball.
Please stay sweet and remember you've always
got a big sister to turn to at anytime.
I'll always be there when you need
me so please don't hesitate to call
on me. I'll be here when you've got
problems and need some advice or
just when you need someone to
talk to. Remember you're always
and Remember I love you.
Love Always
your Sis

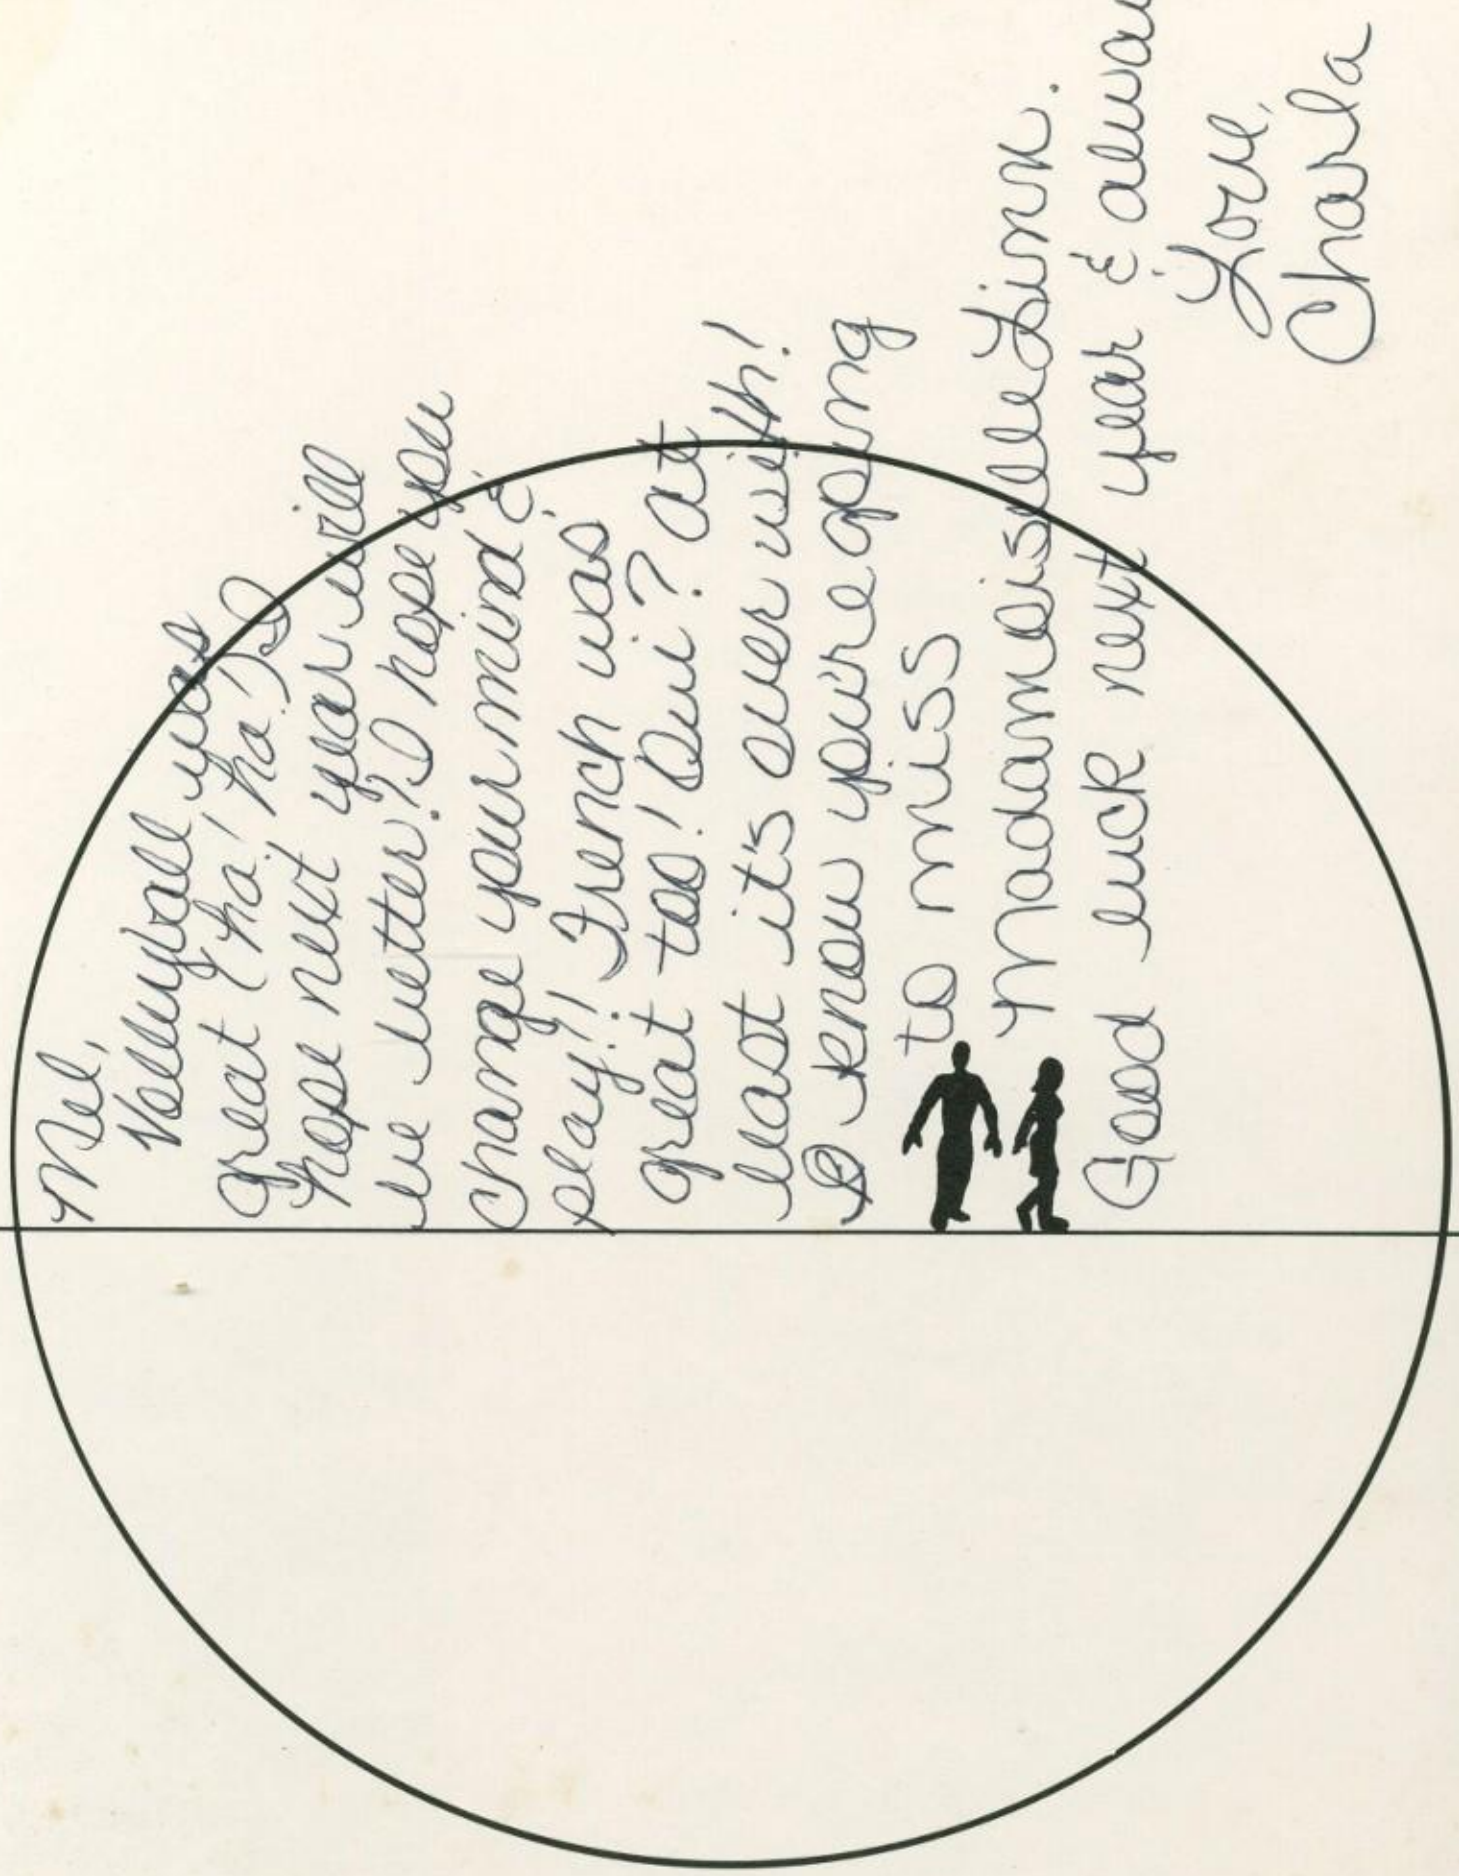
The night has music that calls to me

across canyons, endless sea.

I seek the shadows of yesterday.


Today can't hold me, I must be on my way.
